DARE TO BE DIFFERENT

Introducing the Conti Tailor Made programme, exclusively available to all prospective Conti Monte Carlo owners.

Our flagship multi boiler machine sits proudly on any coffee bar, but why not add your own individual flair to the machine and make it truly unique. Through a selection of factory approved and fitted options, you can complement your premises and brand, whilst drawing attention to how serious you take your coffee. From transparent panels & powder coated perforated panels which expose the internal workmanship through to a series of accent colours, finishes and hard wood accessories, you can really add something incredible to a very special machine.
