

FTN, FTX, FUX

Hobart also offers a complete range of peg conveyor (FTN & FTX Series) & Flight Type Utensil Washers (FUX Series). For all enquiries please call 1800 462 278. We offer a comprehensive range of modular sections which can be built up into a complete warewasher with capacities from 2,000 to 8,500 plates per hour or specialised units for tray and crate washing. FEATURES Standard and heavy-duty wash tanks, single, dual & triple rinse systems, hot air knife driers and a range of heat recovery options. Hobart is the undisputed leader in Flight Type Dishwasher.
