UNIQUE BENEFITS

Vision Perfect Cooking

Make your diners great reason to keep returning to your place. With Retigo Vision combi ovens, you have the peace of mind that you will always achieve outstanding cooking results. The prepared foods have a perfect colour, are juicy, crispy and healthy with a minimal fat contain.

My Vision Controls

Gives you time to concentrate on cooking and things that really matter to you. The simpliest controls on the market will save you time and enable you to quickly and easily make all the necessary settings. Display response is perfect even with grease or gloved hands. Adapt the main menu to your needs.

Vision Design

Simply keeps you cooking with ease and comfort. Experience an excellent combination of features, exceptional ergonomics and attractive appearance. All this with a focus on safety, hygiene and long time reliability.

Smart Investment

Generates money on savings for you every day. In-buil heat exchanger, tripple glazed door glass, 50 mm thick thermoinsulation combined with low consumption automatic cleaning will ensure you great return on investment.

retigo® PERFECTION IN COOKING AND MORE...
