DESCRIPTION

40 Litre Gear Drive Three Speed Mixer - B40KG

The huge, gear-driven three speed (B40KG) planetary mixer is powerful and robust, able to hold up to (40) litres of liquid and (4kg) of dry ingredients. This big unit has a power rating of (1500/10 W/A) with dimensions set at (640x530x1000).

This speed mixer comes to us from Bakermax, one of our biggest catering equipment suppliers today, bringing use the finest, most widely used products.

Made for use in bakeries and pizzerias - this planetary mixer is the go-to equipment appliance to mix dough and dough portions together to create a firmer texture for baking, cooking or later use.

Our planetary mixers are tough and durable with stainless steel materials, a three-speed gearbox, effective motors for reliability and longevity, and an interlocked safety guard.
