

Model UCB1575SD shown

U Series by FSM offer superior performance and quality components in a range of under counter refrigeration models to suit any kitchen.

Impressive standard features include:

- Sturdy magnetic-closing stainless steel doors with extra large ergonomic handles
- High density polyurethane foam insulation
- Stainless steel exteriors
- Models available in 600mm and 760mm deep
- High volume fan cooling system circulates cold air from the top of the internal cabinet for superior cooling and consistent temperature throughout.
- Self-evaporating drainage system
- Rounded internal corner edges, stainless steel interiors and drain plug for easy cleaning
- Fully Programmable Auto Defrost cycle
- Epoxy coated shelves
- Easy to use control panel with digital controller
- Chiller temperature range +1°C to +4°C (rated at 36°C ambient)
- Supplied with 100mm castors (two with brakes)
- Exclusive 13 month on-site warranty

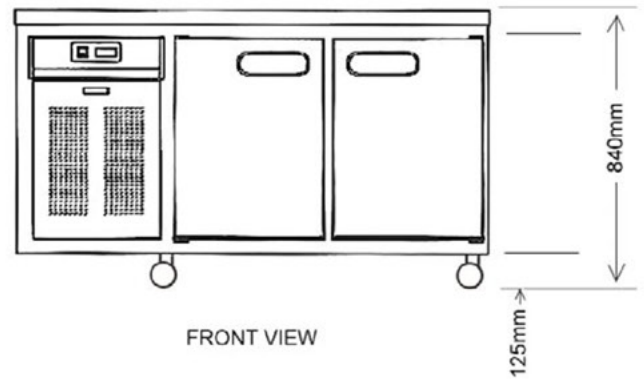

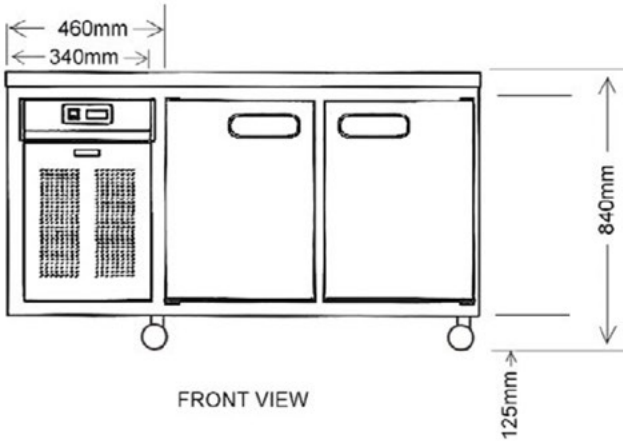

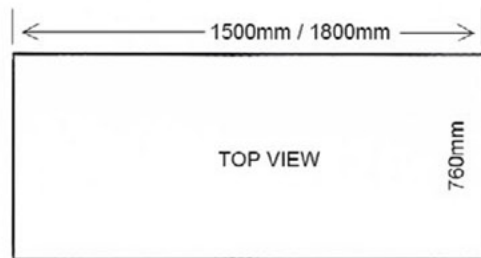

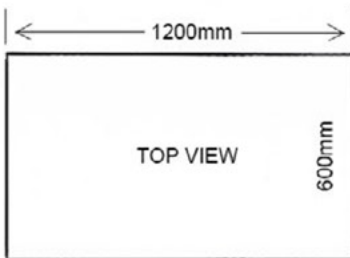

Easy to use digital control

Adjustable epoxy coated shelves
