

Cold Food Displays - Square Glass

W.CFSQ.xx

The Woodson cold food display cabinets offer market leading product display, appearance and hygiene. Woodson provide a matched profile to the hot food displays and sandwich preparation models to provide a seamless line-up in your service area.

Product Information:

- Square profile for optimal product display and modern look
- Double glazed toughened glass front and sides with 10mm toughened glass top for improved performance and safety
- Unique blown air design passes a cold air blanket over the top of
- the food. The cold air then returns under and around the food pans creating an even cooling effect
- Adjustable digital controller designed to hold temperature accurately between 2°C and 5°C
- Rear toughened glass roller doors as standard
- Undermount refrigeration unit supplied with drain hose from well for connection to waste
- Top mounted LED lighting illuminates interior and ensures optimal display of products at all time
- Fully insulated with Ecomate® polyurethane
- Designed to operate at ambient temperatures up to 32°C
- Takes gastronorm pans up to 100mm deep (sold separately)
- Other pan sizes and combinations available
- Available in 3 & 4 module units
- Available in a variety of profiles, with matching hot food displays
- Wide range of functional accessories available

Note:

- All accessories supplied loose for easy on site assembly
- Not recommended for the display of chickens
- All Woodson units are designed for use with Woodson pans. Other suppliers pans may fit, however this is not guaranteed.
- Cabinets require ventilation for built in cold displays
