

Birko Tempo Tronic

Over-sink Boiling Water

Boiling water when you need it for kitchens large or small.

When you need it – boiling water available as soon as you need it.

Suits your needs – choose from models delivering 8 to 150 cups of boiling water.

Convenient – two-way tap makes it easy to fill cups or jugs.

Low maintenance – with a stainless steel case and interior tank, it is designed to last.

Filter option available – can be supplied with an external 5-micron filter for fresh and healthy filtered boiling water (highly recommended).

Timer option available – substitute the 107 part number to 108.
